

August 2014

The Michigan Land Improvement Contractors Association (MLICA) is pleased to be hosting a drainage field day event dedicated to all MLICA Members and anyone interested in becoming a member.

This free event will take place on Friday August 22 and Saturday August 23.

On Friday, two tours of the Agro-culture Liquid Fertilizer facility will be offered. One on Friday morning and the other on Friday afternoon, see reservation information below. The events are open to anyone, **but a reservation is required.**

Friday August 22:

Choose either to tour Agro-culture Liquid Fertilizer at **8:30 AM OR 1:30 PM**, and join us for lunch at 12 NOON sponsored by Michigan Cat at Agro-culture Liquid Fertilizer headquarters, 3055 M-21 St. Johns.

Visit the drainage demonstration site on Price Road 1 1/4 miles West of Old 27 in either the morning or afternoon opposite the Agro-culture tour. The Agro-culture tour is about 3 hours.

Saturday August 23:

Visit the drainage demonstration site all day, join us for lunch at 12 NOON, at the demonstration site, sponsored by AIS Equipment.

Make your reservation by calling Martha at: **517-377-0808**. If necessary, please leave a voicemail with your name, when you will attend, and the number of people you plan on bringing and considered yourself reserved. Again, there is no charge for attending.

For those of you who would like to stick around for the full two days, primitive camping is available at the MLICA Demonstration site, meaning a flat open spot. Nearby campgrounds include Sleepy Hollow State Park, Laingsburg, 517-651-6217; Maple River Campground, Pewamo, 989-981-6792.

Local Motels in Dewitt (~9 miles from demonstration site):

Sleep Inn, 517-669-8823 and Magnuson Hotel, 517-374-0000. Both are eligible for CLC rate.

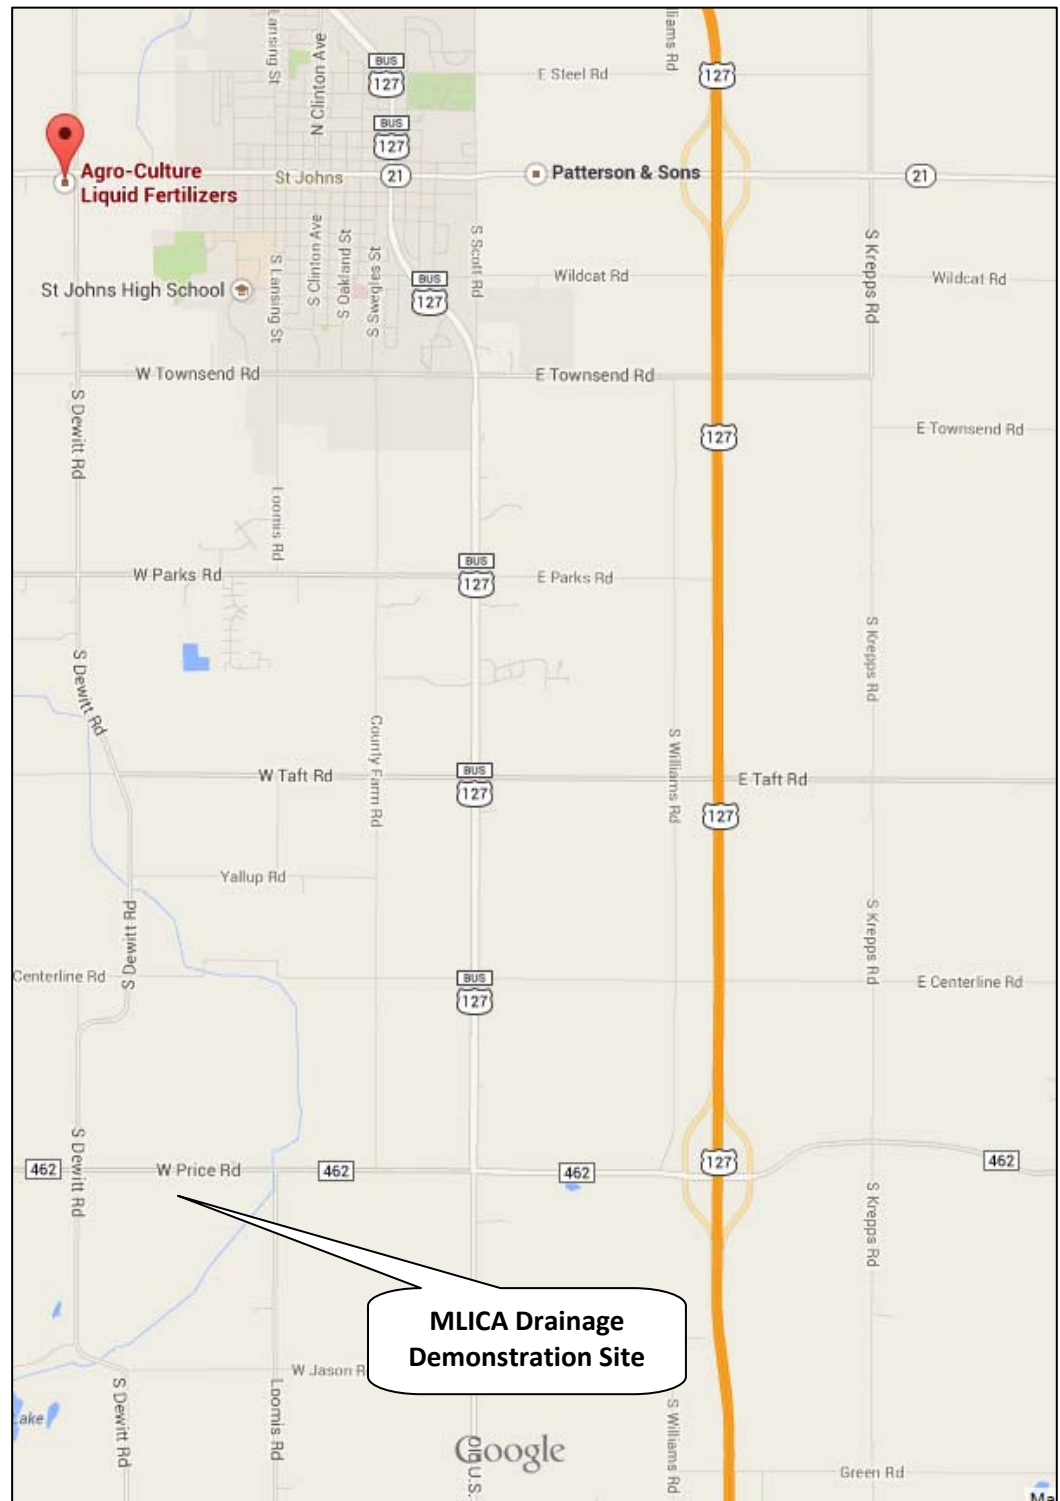

MLICA is dedicated to Michigan's drainage industry believing agricultural production, conservation and public health are dependent upon proper drainage.

MLICA offers three types of memberships:

Contractor Member for businesses actively engaged within the drainage and excavation industries.

Associate Member for service providers to the industry.

Supporting Member for those who want to belong and support an organization that advocates for drainage and the business of drainage in Michigan.

Make your reservation to attend the MLICA Contractor Field Day by calling Martha at: **517-377-0808**.
